

CONTENTS OF SPIRIT ROOM - FISHES

This list only gives an indication of the species in the collection, and their whereabouts on the shelves in the Spirit room. No details are given as to numbers, or data of specimens.

When a species new to the collection is acquired it should be placed on the appropriate shelf and its name entered in this list. DO NOT PUT ANY SPECIMENS IN THE SPIRIT ROOM WITHOUT LISTING THEM.

SHELF 21

Families

Myxinidae

Petromyzontidae

Scylliidae

Carchariidae

Spinacidae
